

Lash Intensity Application Instructions

- ♥ If using an eye lash curler, use before applying mascara.
- ♥ If using MK's Lash Primer, apply to top and bottom lashes.
- ♥ Wait 1-2 mins for Primer to dry before applying mascara.
- ♥ Expand - to apply Lash Intensity, place the short bristles at the base of your lashes and wiggle back and forth to coat.
- ♥ Extend—then turn the wand using the long bristles to comb mascara through lashes from root to tip.
- ♥ Apply as many coats as you'd like, depending on how full and long you want your lashes to be allowing 1-2 mins to dry in between coats.
- ♥ If you desire waterproof lashes, simply top with a coat of MK's waterproof mascara.
